Mustafa Ahmed Eltayeb

mustafaahmedsaeed813@gmail.com +201204111992 Cairo,Egypt

EDUCATION

B.Sc. in Information Technology 09/2025 – 08/2029
Misr University for Science and Technology (MUST) Cairo,Egypt
Cumulative GPA: 3.68 / 4.00

CERTIFICATES

Google Cybersecurity Professional Certificate | Coursera 08/2026
- Mastered security frameworks and controls, incident response, and security hardening methodologies for enterprise environments.
- Identified and mitigated threats, risks, and vulnerabilities utilizing SIEM tools.
- Developed practical proficiency utilizing Python, SQL, and the Linux command line to support defense-oriented operations.

AWARDS

Certificate of Excellence 04/2026
Faculty of Information Technology, MUST
Top 5 Distinguished Student Award (Academic Year 2025–2026): Awarded by the College of Information Technology for outstanding academic excellence, dedication, and remarkable performance as a top distinguished international student.

EXTRACURRICULARS

United Arab Innovators Web Pentesting Program 04/2026
- Completed technical sessions focusing on web application vulnerabilities, live threat actor movements, and defensive countermeasures.

Competitive Programming Community (CPC) 12/2025
- Participated in university-level algorithmic problem-solving and logic training utilizing C++.
- Developed strong foundational skills in code analysis, memory management, and optimizing execution times (STL, arrays, structures, and functions).

TECHNICAL LABS

Linux & Virtualization Environment
- Deployed a virtualized sandbox environment utilizing VMware Workstation Pro to understand secure system isolation.
- Executed defensive operations, file permissions, and system administration tasks utilizing the Linux command line.

TECHNICAL SKILLS

- **Core Concepts:** Threats, Risks, & Vulnerabilities, Incident Response, Security Frameworks & Controls, Security Hardening, System Interactions, Algorithmic Problem Solving.
- **Languages & Tools:** Python, SQL, C++, Linux Command Line, SIEM Tools, VMware Workstation Pro.
